

MV - Food Drive for UCM

Day of Service

Project Information

NAME OF PROJECT: Food Drive in support of United Community Ministries (UCM)

WARD SPONSORING PROJECT: Mount Vernon Ward

DATE: Saturday, September 24, 2011

TIME: 9am-12pm

LOCATION: Ward members who participate in the food drive will collect donated food from the homes of their neighbors on Saturday morning, 24 September and deliver it to the Mount Vernon Ward building. Donated food will be stored in the building until Monday, when it will be delivered to UCM food pantry in Alexandria.

SHORT DESCRIPTION OF PROJECT:

During the first three weeks of September, Ward members will approach their friends and neighbors with a prepared flyer announcing Mt Vernon Ward's participation in a food drive in support of UCM to honor "Virginia Day of Service". The flyer requests that those who wish to donate place the donated food on their own doorsteps prior to 8am Saturday morning, 24 September. Ward members will pick up the food items and deliver them to the church building. Since UCM's food pantry does not receive food on Saturday, the food will be stored at the church until Monday when it will be delivered to the UCM food pantry in Alexandria.
